

All-purpose Tripods FS 23 and FS 20

Aluminium Tripod FS 23

Ideal for all measuring instruments.

- Robust
- Quick clamp system
- Flat head
- Shoulder carrying strap
- Diameter of tripod head 158 mm
- Centring range 64 mm

Aluminium Tripod FS 20

Similar to FS 23, but a little bit lighter, i.e. ideal for levelling instruments.

Aluminium Tripods FS 23-D/FS 20-D

Aluminium Tripod FS 23-D

Same as FS 23 tripod, however, with domed head.

Aluminium Tripod FS 20-D

Same as FS 20 tripod, however, with domed head.

Wooden Tripod FS 24

- Robust wooden tripod for theodolites and total stations
- Quick clamp system
- Flat head
- Shoulder carrying strap

Aluminium Tripod FS 40

- Adjustable range of centre column 30 cm
- For lightweight instruments
- Operating range 0.95 – 1.56 m + 30 cm centre column
- Quick clamp system

Elevating Tripod FS 30-M

With run through guideway to the bottom for rotating and line lasers with plumb down beam.

- Based on FS 20 aluminium tripod
- Quick clamp system
- Chains between tripod legs
- Operating range from 0,65 m to 2,00 m inclusive extended elevator column
- Shoes with screwable rubber balls for secured stand indoors and outdoors
- Adjustable range of center column reads 39 cm
- Crank can be locked
- Diameter of tripod head 11 cm
- mm-graduation on column
- Shoulder carrying strap

Elevating Tripod FS 30-L

Large operating range up to 2.85 m.

- Based on FS 23 aluminium tripod
- Quick clamp system
- Chains between tripod legs
- Operating range from 0,90 m to 2,85 m inclusive extended elevator column
- Shoes with screwable rubber balls for secured stand indoors and outdoors
- Adjustable range of centre column reads 40 cm
- Crank can be locked
- Diameter of tripod head 12.7 cm
- mm-graduation on column
- Shoulder carrying strap

Ref.no.	Article		Tripod head	Material	Size / cm	Weight
151	FS 20	Aluminium tripod	Flat head	Aluminium	105 – 165	3,5 kg
157	FS 20-D	Aluminium tripod	Domed head	Aluminium	105 – 165	3,5 kg
152	FS 23	Aluminium tripod	Flat head	Aluminium	105 – 170	5,1 kg
153	FS 23-D	Aluminium tripod	Domed head	Aluminium	105 – 170	5,1 kg
154	FS 24	Wooden tripod	Flat head	Wood	105 – 170	6,5 kg
150	FS 40	Elevating tripod	Column/Flat head	Aluminium	95 – 186	3,2 kg
158	FS 30-M	Elevating tripod	Column/Flat head	Aluminium	65 – 200	5,2 kg
156	FS 30-L	Elevating tripod	Column/Flat head	Aluminium	90 – 285	8,2 kg
